MONTGOMERY ROCKY HILL ROTARY
SINCE 1990***

Our sincere thanks to all of our sponsors whose contributions help Rotary continue its mission: "To End Hunger, Illiteracy, Addiction and Polio, in Our Community and Around the World"

The funds raised enable Rotary to support many charitable causes and make a difference in the lives of those less fortunate.

Montgomery/Rocky Hill Rotary Club

Run With Rotary

To End Hunger, Illiteracy, Addiction and Polio...In Our Community and Around the World

Welcome Runners, Spectators, and Sponsors!

Thank you for your participation in the 2024 Run With Rotary. This event is a major fundraiser for the Rotary Club of Montgomery/Rocky Hill Rotary and is the largest 5K race held in Montgomery Township.

The race first started in 1997 and was known as the Run with Aimee. The event was started in memory of Aimee Eve Polak who tragically passed away at the age of 23 in a car accident. The original race was started by the Polak family and supported by the many friends who helped host the race.

In 2007, The Rotary Club of Montgomery/Rocky Hill was asked to assume responsibility for the run and has been operating the race ever since. This year marks the eighteenth year our Rotary Club managed the event. Unfortunately, we did not hold the race during the pandemic, missing two years. This will be the 16th year the Run With Rotary will take place. For the first nine years, the Run With Rotary was held on local streets and neighborhoods.

In 2014, Skillman Park, formerly known as North Princeton Development Center, was nearing completion. Plans were started to host the 2015 Run With Rotary within Skillman Park with the support of the Somerset County Park Commission and the Montgomery Township Governing Body. Skillman Park was dedicated on April 23, 2015. The Run With Rotary was held on April 26, 2015. The course is certified by the USA Track & Field Association.

We are especially grateful to our many sponsors, this year, and the last 18 years, for their generous support. Thank you. The impact our club has had on Montgomery Township, the region, state, country, and internationally cannot occur without their kindness.

Earlier this year we lost a great friend to The Run With Rotary. Gary W. Verhoorn, was one of the original coordinators of the Run with Aimee. Gary was instrumental in training and teaching many of the Rotarians who took on the challenge of operating the Run With Rotary. Gary supported us and was a runner in the event for many years. Gary was the founder of the Resolution Run held every New Year's Day in Hillsborough. We will miss Gary for all the good he did in Montgomery and Hillsborough.

In closing, this race has impacted this community for 28 years, either as the Run with Aimee or the Run With Rotary, and we hope to continue it for many more. We wish you a great race!

Thank you.

Run With Rotary

To End Hunger, Illiteracy, Addiction and Polio...In Our Community and Around the World

Welcome to our 16th Run With Rotary, Montgomery's Community Charity Event.

Our Rotary Club's members are excited to hold this event in our community, to bring people together for fun while enjoying healthy exercise outdoors in the name of raising funds for our most worthy causes. Your involvement with this fundraiser is what allows us to perform the charitable works of service to those in need.

The largest and oldest service organization in the world is Rotary, and at this event today we are all a part of this worldwide service organization that in many ways is making such a positive impact on humanity.

You can feel proud of your support in Run With Rotary, as you are directly contributing to the local needs of our community as well as health and economic needs around the globe. To name but a few, our Club does everything from purchasing equipment for our local emergency services to eradicating the crippling childhood disease called polio from the face of the earth. We do everything from providing scholarships to our deserving students to responding to natural disasters worldwide. As a Rotary Club, we are 100% volunteer-based, such that all of the funds we raise go their causes with no administrative costs incurred. Our Rotary Club Board gives its utmost effort to carefully select where we can be most effective in helping others. This is all integrated into Rotary's motto "Service Above Self".

We invite you to review this program to see who our sponsors are, and to learn of the many and varied ways that Rotary makes a difference. We give our heartfelt thanks to our very supportive sponsors and all of the day's participants for joining us, in helping us be successful in our endeavor to be a thriving and successful Rotary Club.
